Two Killed In Canyon Accident

BREA—Two youths were killed in a motorcycle accident Friday night in Carbon Canyon, when the cycle they were riding was struck head-on by a car driven by James LeRoy Townsend, 41, 2608 Santa Ysabel, Fullerton.

At the curve east of Olinda Drive, Townsend said he swerved to avoid two deer and his car struck the motorcycle, according to police reports.

Roger L. Adams, 18, of Oakrun, California, and airman stationed at Norton Air Force Base, San Bernardino was transported to St. Jude Hospital following the accident and died there at 2:45 a.m. Saturday, six hours after the accident.

According to Brea Police, Townsend, on the way to the Chino Airport, stopped impulsively at the scene of the accident around noon on Saturday. It was then that he discovered the body of the second man lying in a clump of bushes about thirty-five feet from the point of impact. The second victim is William Davis Smith, 20, 8142 Fourth Street, Buena Park.

The accident is still under investigation, and no charges have been filed.

Yorba Linda Council Continues Hearings; Names Brian Hawley Acting Administrator

YORBA LINDA — The series of public hearings continued last Tuesday night on the general plan for the orderly development of Yorba Linda as proposed by Lampson Associates, a consultant firm. Outspoken citizens' reactions to the plan and use part of the plan ranged from those who thought the 3.1 per acre density was too low to some who felt it too high.

Following the meeting the city council adjourned to an executive session where Brian Hawley, who

has been serving as planning director, was appointed acting city manager for approximately three months until a new appointment is made. He will receive \$1600 a month for his services.

Darrell Dalton, who is vacating the post as city manager, is returning to his former position as assistant city manager in Cypress.

Among the speakers was Dale Chaput, representing a homeowner's association, who said that the planned density is too high, that the plan looks like a real estate development which would spoil the country-like atmosphere so desirable in Yorba Linda. He claimed that 65 per cent of the

Commission OK's Plan To Beautify Station

PLACENTIA—A plan to beautify the Edison Company substation at Placentia Avenue and Santa Fe Avenue was approved by the Planning Commission at its regular meeting last Tuesday.

The company is planning to spend about \$75,000 on the project to completely landscape and screen the facility. Local manager Jim Sumrow said that Placentia received all of the money planned by the company to be spent in Orange County.

On a split vote commissioners approved a city-initiated zone change from R-3 to R-G-PUD for property on each side of Kraemer Boulevard north of Alta Vista Street. A little over nine acres is involved.

A use permit to allow the installation of a shop in the Placentia Plaza to allow instruction of graphic and musical arts, retail sale of instructional equipment and repair of electronic musical instruments was approved by commissioners.

A site development application for a mobile home manufacturing plant on La Jolla Street east of McFadden School was approved.

YORBA LINDA — A three car accident on Imperial Highway last Wednesday morning sent two drivers to the hospital.

Roma Alice Jennings, 78, 18401 Rio de Ora, Yorba Linda suffered a fractured shoulder and lacerations. Joyce Elaine Lauder, 18 of 1212 Tweed Street, Placentia was treated at St. Jude Hospital for a head laceration.

According to police reports, the Jennings vehicle entered Imperial Highway from Prospect Street heading north. It was struck by the Lauder vehicle traveling west on Imperial Highway. The collision caused the Lauder vehicle to crash into a third car traveling parallel to it on Imperial. Driver of the third car, Donald Alvin Nordine of Whittier, and his passenger Nancy Rae Nordine were uninjured in the accident.

The Jennings vehicle struck a utility pole before coming to rest in a field north of Imperial Highway.

PUSD Board Approves Tentative New Budget

PLACENTIA — The Board of Education of the Placentia Unified School District approved the tentative and publication budget at its regular meeting Monday evening.

The budget shows total expenditures of \$11,434,456.11 with a reserve of \$702,300.11. The figures reflect a salary freeze imposed by resolution on both certificated and classified employees Monday evening.

The budget is still fluid pending the outcome of state legislation and the tax override election August 3. Final adoption of the budget is scheduled for August 4.

The board will hold its organi-

zational meeting Thursday, July 1, when three new members will be seated and new officers will be elected. Some other business will also be transacted.

The board also accepted several gifts from various local school PTA groups, and considered several financial matters.

In action Saturday afternoon the board voted to build two-thirds of one school on the Topaz-Sapphire site in Fullerton and to submit an application for two-thirds of another school in the northwest portion of the district.

Train Hits Car On Track In Placentia

PLACENTIA — The crossing gate was activated Friday morning as the Santa Fe freight approached the Placentia Avenue crossing.

Joyce Marilee Finklestein, of Swanee Ave., Placentia, approaching the tracks, southbound on Placentia, immediately slammed on the brake. Her car slid into the northbound lane of the road, and came to rest facing the west bound Santa Fe freight.

Engineer Steve Case observed the situation, from his cab and frantically waved the driver away. Mrs. Finklestein escaped as the train plowed into her car. She sustained some minor injuries as she ran and was treated at St. Jude Hospital after the early morning incident.

YL District Enrollment Will Remain Same As This Year

YORBA LINDA — Trustees of the Yorba Linda School District were informed last week at their regular meeting that the district will have approximately the same enrollment next fall as it had this year.

Superintendent Sterling Fox pointed out that the district graduated 262 eighth graders and expects only 210 kindergarteners and about 50 new children. Enrollment this year was 2,345.

In other action the board extended Fox's contract another two years at the same salary and did same for Assistant Superintendent J. Elton Patridge.

They also approved the released time program for another year, approved a city-district recreation agreement, extended the towel contract, air conditioning contract, and awarded a new business machines service contract.

Board members also approved

an application for funds from the federal ESEA Title I program to work with underachieving children on the Aid to Dependent Children Program. Approximately \$11,975 is involved.

The Migraine Sufferer Need Not Be So Lonesome

"The migraine headache is as devastating and serious a problem as I have come to know in my practice. It may be one of the serious defects of our modern day approach to life. It may be due to the increase of so many who self-treat occasional headaches with pain killers, never seeking to discover the source of their problem."

"No, I don't say every 'pesky little headache' will become a migraine. But you'll never be able to show me a migraine sufferer who didn't first experience an occasional 'pesky little headache.' Headaches, especially migraine, need prompt, effective treatment."

The speaker was Dr. Donald Brinkley of the Brinkley Chiropractic Centers. Now comes an article in a magazine that almost seems to echo Dr. Brinkley's warning of the migraine problem. Following is an excerpt from that article:

"It begins with my eyes — flashes of light, double — or half vision, blobs of color. Then, about 20 minutes later, the pain starts. Incredibly sharp and deep over one eye, usually and back along my skull. I can't stand light or noise; sometimes I have attacks of nausea and vomiting, sometimes a strange tingling in my fingers and toes or even my tongue. But the worst of it is when I try to speak. I know what I want to say, but the words won't come out properly. It's very frightening. The attacks usually last for three or four hours and afterward I can't do anything for the rest of the day. I've been getting them about twice a month lately."

"The speaker was an attractive 30-year-old woman who had lost her job because of crippling attacks of migraine. She is one of the millions of people in the world — three out of every 100 — who suffer from this disease. . . ."

a disease and not just the bad 'headache' that non-victims and even many doctors seem to think it is. Migraine can cause the symptoms of heart disease, gall bladder inflammation, and appendicitis to appear. It is a disease that causes untold damage to the people who suffer from it — and to the employers who lose thousands of working hours because of it.

"Migraine produces such pain, in fact, that in a recent case a brilliant 32-year-old science teacher killed himself because he couldn't take the severe migraine attacks that were becoming more and more frequent. Experts agree that many cases of unexplained suicide could be caused by the agony of migraine."

There are many side effects of migraine that most people are unaware of. Children, for instance, often suffer from severe migraine attacks that cause abdominal pains not unlike a ruptured appendix. Many children have been operated upon needlessly for this reason, and thousands of school days are wasted each year because of migraine."

Often victims have to put up with months of ineffectual treatment by local doctors or general hospitals. Many sufferers would rather stay at home in agony than be told by a harassed intern to 'go home and take two aspirin,' a treatment that works for a few minutes if it works at all. A lot of migraine victims are afraid to seek medical aid . . . because they have been embarrassed in the past by doctors who accuse them of malingering."

Dr. Brinkley has said he has the greatest sympathy for the migraine sufferers. "They have had to endure — largely on their own — the private punishment of migraine."

Yet migraine can be treated. "It must be," says Dr. Brinkley.

Further information regarding this problem can be had by writing the News-Times, P.O. Box 10, 130 N. Bradford Ave., Placentia, Calif. 92670.

Indian Crafts Exhibition Opens At Cultural Center

The American Indian Arts and Crafts Show opened June 20 at the Muckenthaler Cultural Center, Fullerton and will run through July 24. Gallery hours are 1 to 5 p.m. Tuesday through Saturday.

Mrs. Clyde Lyles, curator, emphasizes the educational aspect and particular interest to children. Extensive research has gone into the explanatory notes which accompany each artifact.

Mr. and Mrs. John Collins, Fullerton, assisted Mrs. Lyles in assembling this remarkable American Indian exhibit. They have drawn upon at least 25 collectors in Orange County. The Collins' collection of more than 100 pieces from Arizona and New Mexico stimulated interest in the

contemporary Indian. The Drover collection emphasizes the ancient Hohokum Indian from the Southwest. Myrton Purkiss' petroglyph is among the unusual and rare artifacts in the exhibit.

This is an opportunity to learn something about the heritage and lore of American Indian Arts and Crafts/West of the Mississippi.

Placentia Y's Men To Host Fireworks Spectacular July 3

A grand and glorious third of July will be added to the traditional fourth for the first time in Placentia with a professional extravaganza fireworks display to be held at Bradford Stadium on the grounds of Valencia High School.

Frank Wolfe of the YMCA Y's Mens Club, sponsors of the event, said that the spectacular would feature 45 minutes or more of all kinds of fireworks displays,

static and aerial, and would begin at 8 p.m.

Before the show begins Fred Krieg will present his hot air balloon from about 6 p.m. to 8 p.m. at the stadium. He will show how the balloon rises and falls as hot air is added.

Another attraction will be a half-hour presentation by the Cal State NCAA championship gymnastics team starting about 7:30. Also performing will be the

North Orange County YMCA gymnastic team.

Also scheduled for the same night, members of the League of United Latin American Citizens will present a public dance in the Parish Hall of St. Joseph's Church directly across the street from the stadium.

Music, which will be of a general variety, will be provided by the Joe Muro orchestra and will begin immediately following the fireworks show at 9 p.m. lasting until 1 a.m. All ages are invited.

Tickets to the fireworks display, also may be obtained ahead of the show for people who would like to be able to go directly into the stadium without any wait, Wolfe said. Tickets will be delivered to homes in the area by members of the Junior League of United Latin American Citizens who will also be selling them door-to-door in Placentia neighborhoods.

Also selling tickets will be members of the Y's Mens Club, the Placentia Chamber of Commerce, and the North Orange County YMCA.

Admittance to the fireworks display will be \$1 for adults; 50 cents for teenagers 13 and younger and under age 5, admission will be free, Wolfe said.

Carrie Burciaga, chairman of the LULAC's dance committee said admission to the dance will be \$5 a couple or \$3 for individuals. Tickets for the dance may also be obtained

ahead of time from members of the Junior LULACs.

Those wishing ticket service for the fireworks display may call Johnny Morillo at 635-1468, Carrie Burciaga at 772-2673 or Angie Segovia at 956-2715 and deliveries will be prompt.

Wolfe said that proceeds from the fireworks

spectacular have been designated for the Y's Men Club of North Orange County YMCA projects in Atwood which includes transportation of young people to the Y gym for various activities.

LULACs will use proceeds from their dance for their work in civic projects and scholarships, Mrs. Burciaga said.

Miss Placentia Linda McClintock, right, lights firecracker held by Placentia Junior Miss Joan Huson in preparation for the Placentia fireworks show set for July 3. Watching are Frank Wolfe of the Placentia Y's Mens Club and Firemen Bruce Hunt and Larry Kelly, who will present the show.

Fire Safety Hints For The Summer Months Discussed

Vacation homes means everything from tents, campers, trailers, to cottages and resort hotels. These are places where fire could start, just as fire is possible in the houses and apartments where people live most of the time, according to Placentia fire Chief Jim Sims.

"Before leaving your year-round residence for a

vacation, make sure it is as fire-safe as possible," says Sims.

"Get rid of any trash and litter inside or outside the house. Make sure paint, gasoline, and other liquids which could be ignited easily are safely stored in metal containers with tight fitting lids, and are kept in a cool place. Gasoline should

never be stored in the house," he added.

"Unplug electrical cords of heating appliances and television sets, and be sure radios and other appliances except refrigerator and freezer are turned off. Make a final inspection of the house to see that smoldering cigarettes are not left behind when you lock up the house.

"Upon arrival at your vacation spot, work out a fire escape plan, look for an alternate in case your main exit is involved in fire. Do not rely on elevators, know where the stairways are.

"Impress upon children — once out of a burning building, stay out. Arrange for an emergency meeting place outside.

"You should know how to summon the Fire Department in an emergency. Locate the number of the local fire Department and know the address where you are staying, so that you can direct fire personnel," Sims concluded.

Placentia Day Camp Coordinator Shirley Cummins goes over brochure describing the camp with Doug Cable and Lynn Sappington.

Disabled Canadian Boy Visits Orange County

The North Orange County Council of Beta Sigma Phi has carried out the theme with the "Hands Across the Border" project, in conjunction with Xi Alpha Chapter of North Vancouver, Canada.

The Canadian chapter and the North Orange County Council have joined together to bring a muscular dystrophy victim, Brian Burton, to the United States to see Disneyland which is his dream. Brian lives in Vancouver with his mother, Betty Burton and his sister Brenda Burton who are traveling with him.

Xi Alpha has contributed

the air fare for the family along with some spending money.

North Orange County Council has contributed tickets to local showplaces such as Knott's Berry Farm, the Wax Museum and Disneyland, housing, transportation and meals for the family.

Brian was stricken with the disease when he was eight and is now confined to a wheelchair. Brian is 16 and is in high school in Canada.

The family were guests of North Orange County Council at the June council meeting.

Grand Old Picnic Slated For July 5

A "Grand Old Picnic" in old-fashioned, Independence Day style will be celebrated July 5 at the site of President Richard Nixon's birthplace in Yorba Linda by North Orange County Republicans.

Grass roots Republican workers in the 35th Congressional District will be honored at the first annual July 4 weekend picnic, which is sponsored by Congressman Charles A. Wiggins, State Senator James E. Whetmore and State Assemblyman John Briggs.

Colorful booths will dot the school lawn area where hot dogs, lemonade, soft drinks, cotton candy, and

other picnic food items will be sold. A Dixieland band will provide music during the afternoon, and there will be games for the children.

At 4:30 p.m., dignitaries will be introduced. Wiggins, instigator of the "Grand Old Picnic," will fly in from Washington, D.C. Whetmore and Briggs have confirmed their attendance. Invitations to city officials in Brea, Fullerton, La Habra, Placentia and Yorba Linda are being prepared.

"We're hoping everyone will circle and save July 5 for what promises to be a truly memorable occasion," said Mrs. Ted Lundberg of La Habra, who is co-chairman of the event with M. Roy Knauff of Yorba Linda.

Families in the north county area are cordially invited to meet their elected

representatives at the event, which will take place from 2:30 to 7 p.m. on the

Richard Nixon Elementary School grounds, 18011 Yorba Linda Blvd.

City Waits For Study By Engineers Council

"Every street presents different problems," stated Gerald Hendricks, Placentia Director of Public Works and City Engineer. "That is why," continued Hendricks, "that we are working with and awaiting an exhaustive study being made by the Orange Traffic Engineers Council on Trails."

How best to serve the motoring public and the bicycle riders, and provide safety for both is the main object of the study, stated Hendricks.

With Yorba Linda Boulevard having 16,000

vehicles traveling on it each day; Kraemer Boulevard, 11,000, Bradford Avenue, 8,000 and Placentia Avenue from Chapman Avenue to Yorba Linda Boulevard, 10,000, the problems are many.

"As more persons are using bicycles now," the director said, "we wish to be able to provide bicycle lands that will make safe riding possible."

Bradford Re-elected President

A.S. "Bud" Bradford was re-elected president of the Placentia Chamber of Commerce Thursday at a meeting of the Board of Directors.

Bradford, of the Bradford Brothers Packing House, will serve for the year 1971-72.

Elected to work with him was Patrick Geary of the Leegar Corporation as vice president and Raul Lomas of the Placentia-Yorba Linda Security Bank as treasurer.

The new board will convene on July 8 to discuss plans for the future, and in the interim will be appointing chairmen of the various committees, it was learned.

LULAC Council Takes First Place

The Placentia Council 174 of the League of United Latin-American Citizens has won its organization's state Council of the Year award, a first for the city of Placentia.

The trophy was presented in competition with the other 39 councils of the state, at the group's 25th state convention. The award was accepted by Alex Segovia, president of the local chapter.

The Man of the Year honor went to Art Salazar, a long-time LULAC member from Paramount. Runner-up was Frank Burciaga, vice president of the

Placentia Council, who had been nominated by his group for his outstanding community service in both senior and junior groups.

The Placentia Council offered a roster of more than 40 major activities in which the group had participated since its reactivation last October. Efforts of the organization, which is non-political, have been expended mainly in the solution of educational problems for its citizens and in civic activities.

The senior council will represent California at the LULAC national convention to be held in Denver this

week. Also representing California at the concurrent Junior LULAC convention will be Placentia's Junior LULAC Council 8, which also won the State Council of the Year in the Junior category. Rosemary Segovia, daughter of the senior council's president, was the Junior's president for the past year.

Also entering national competition will be Vicki Salazar, a student at Kraemer Intermediate School, who was chosen California's Junior LULAC Sweetheart and Burciaga, who was accorded the state junior title, Supervisor of the Year.

It is thought to be the highest number of honors ever bestowed upon the Placentia Councils.

Included in the Placentia Council's presentation for the Council of the Year honor were clippings of more than 300 newspaper stories and pictures, carried in the area's newspapers in the past eight months and documenting the multi-activities of the group, Segovia reported.

Also attending the national convention will be Marquita Cisneros of Placentia, this year's state director for the junior LULACs.

Haases Honored At Party Before Vacation Departure

Mrs. Evelyn Koeller, 16341 Shadburn, Placentia honored her sister, Mrs. Clarence (Dorothy) Haase, of Newport Beach, on Monday June 21 with a patio bridge luncheon. Mr. and Mrs. Haase are leaving soon for an extensive vacation of the western United States.

The patio setting was attractive and cool in the screened-in covered area which was accented with orange patio furniture and hanging and potted plants in full bloom with lots of color with guests receiving full

benefit of the beautiful garden which was also in full bloom.

Iced tea, coffee, crepe suzettes, fresh fruit and date bread were served buffet style after guests had enjoyed bridge and well wishing to the honored guest. Attending were Agnes Scott, who received high at bridge, Jan Gray with second, Alice Towles with an unbelievable low, and Pat Guffin, Mona Tate, Lorene McAtter, honored guest Dorothy Haase, and hostess, Evelyn Koeller.

How do you feel when you smile?

Some people shy away from a studio portrait because they feel self conscious about expression. A natural smile or a pleasant look is so spontaneous that you aren't aware of how your face feels at the time.

I know how you feel - looking at a bank of lights, a black box and a voice back there somewhere saying, "Now look this way and smile" probably pretty darn silly!

Also, a photographer who has never met you before can't know what expression is the real you. If he stands and chats awhile or takes time moving lights around, don't get

impatient. Relax and visit. He's trying to acquaint himself with your normal expressions and find the one he wants to capture on film.

One of the most famous portrait photographers lives with his subject for a week before he ever puts him in front of the camera. We don't go quite that far - but we don't charge \$1,000 for a portrait either.

Let the photographer watch for expression. Follow his directions and do not try to arrange your head and features by the way they feel to you.

Don't try to imitate a pose or expression you have seen in another photograph or an earlier one of yourself.

And don't be afraid to move in front of the camera. The advent of flash eliminated the old neck braces of daguerrotype days. And the automatic camera has taken the place of the old focusing cloth.

So on your next visit to the studio relax and enjoy yourself.

Valerie Jean Moore

Valerie Moore Engaged To Larry Lee

Mr. and Mrs. Andrew B. Moore, 1716 Glenview, Anaheim, recently announced the engagement of their daughter Valerie Jean, to Larry Lee, son of Mr. and Mrs. Harry Lee of Placentia.

Both Valerie and Larry are graduates of Valencia High School. He is employed by General Telephone Company.

Linda Pappas To Start Working At Fire Dept.

The latest addition to the Placentia Fire Department staff is Miss Linda Pappas, daughter of Mr. and Mrs. Arnold P. Pappas, of 1114 Oakmont, a 15-year-old sophomore at Valencia High School who will be working part-time at the headquarters station, assisting in typing, filing, and other special projects.

Miss Pappas became interested in the activities of the fire department while taking a first aid class. In looking over her summer activities she found that she wanted to get some work experience to help her in her future endeavors and to qualify for a girl scout merit badge. Because of her interest in the fire department, she volunteered to assist in any way she could.

Her accomplishments during the first week included the preparation of the handout material for the Atwood address change, and preparation of the folders

for the coming fiscal year records.

Chief Sims was very pleased that a person of Linda's abilities was interested enough in her community to want to help on a volunteer basis.

Teen Dance To Be Held At Junior High

The first teen dance of the summer sponsored by the Yorba Linda Recreation Department will be held on Friday, July 2 at the Yorba Linda Junior High School quad from 8 to 11:30 p.m.

Music will be supplied by Red, White and Blue, a popular group with young people in this area. Dancing will be outside under the stars.

All teens are invited to attend and cold drinks will be available. Admission is \$1 per person.

Local Library Director Gains Bookkeeper

Audrey Alevizos, who is familiar with all facets of library work, has become the secretary-bookkeeper in the office of David Snow, director of the Placentia District Library.

Changes in the physical aspects of the library are gradually becoming effected, according to Snow, and his offices will eventually also be used, for the meetings of the Board of Trustees. "In this way," stated Snow, "all necessary data and equipment will be concentrated in one section, and will make for more efficient progress in the business of the library."

The walls of the offices of Director Snow are lined with bound volumes of magazines as well as copies of current magazines, to which the library subscribes. These will be moved to the annex, where they will be available to patrons who desire them for reference.

Local Girls Return From Annual YWCA Conference

Three members from El Dorado's chapter of the Y-Teens attended the annual YWCA conference, held this year at Southern California College, in Costa Mesa.

Joan Tiedt, club president; Margaret Storll, and Marty Williams all represented ED at the conference, which lasted from June 21-25.

Over one hundred girls attended the conference, where they stayed in a dormitory.

The overall theme of the conference was "Express Yourself...Get involved." There were also daily themes, which included "Let's Get It Together," "Eliminate Racism," "Expression of Self," "Ecology of Values ... Pollution Solution," and "Goodbyes ..." for the final day.

A highlight of the conference was a trip to nearby Newport Beach.

Delegates of the conference each spent two

afternoons of volunteer work at community agencies including a clinic, day care center, recreation park, Fairview Hospital, and taking surveys on the topic of Fair Housing.

Rap Sessions and assemblies with speakers, films, and skits kept the delegates busy throughout their stay.

Julie Baugh Leaves For Summer Tour

Julie Baugh, daughter of Lillian Baugh of Sunrise St., Placentia, left last week on a cross country vacation to visit her sister Janet Stears in Jacksonville, North Carolina.

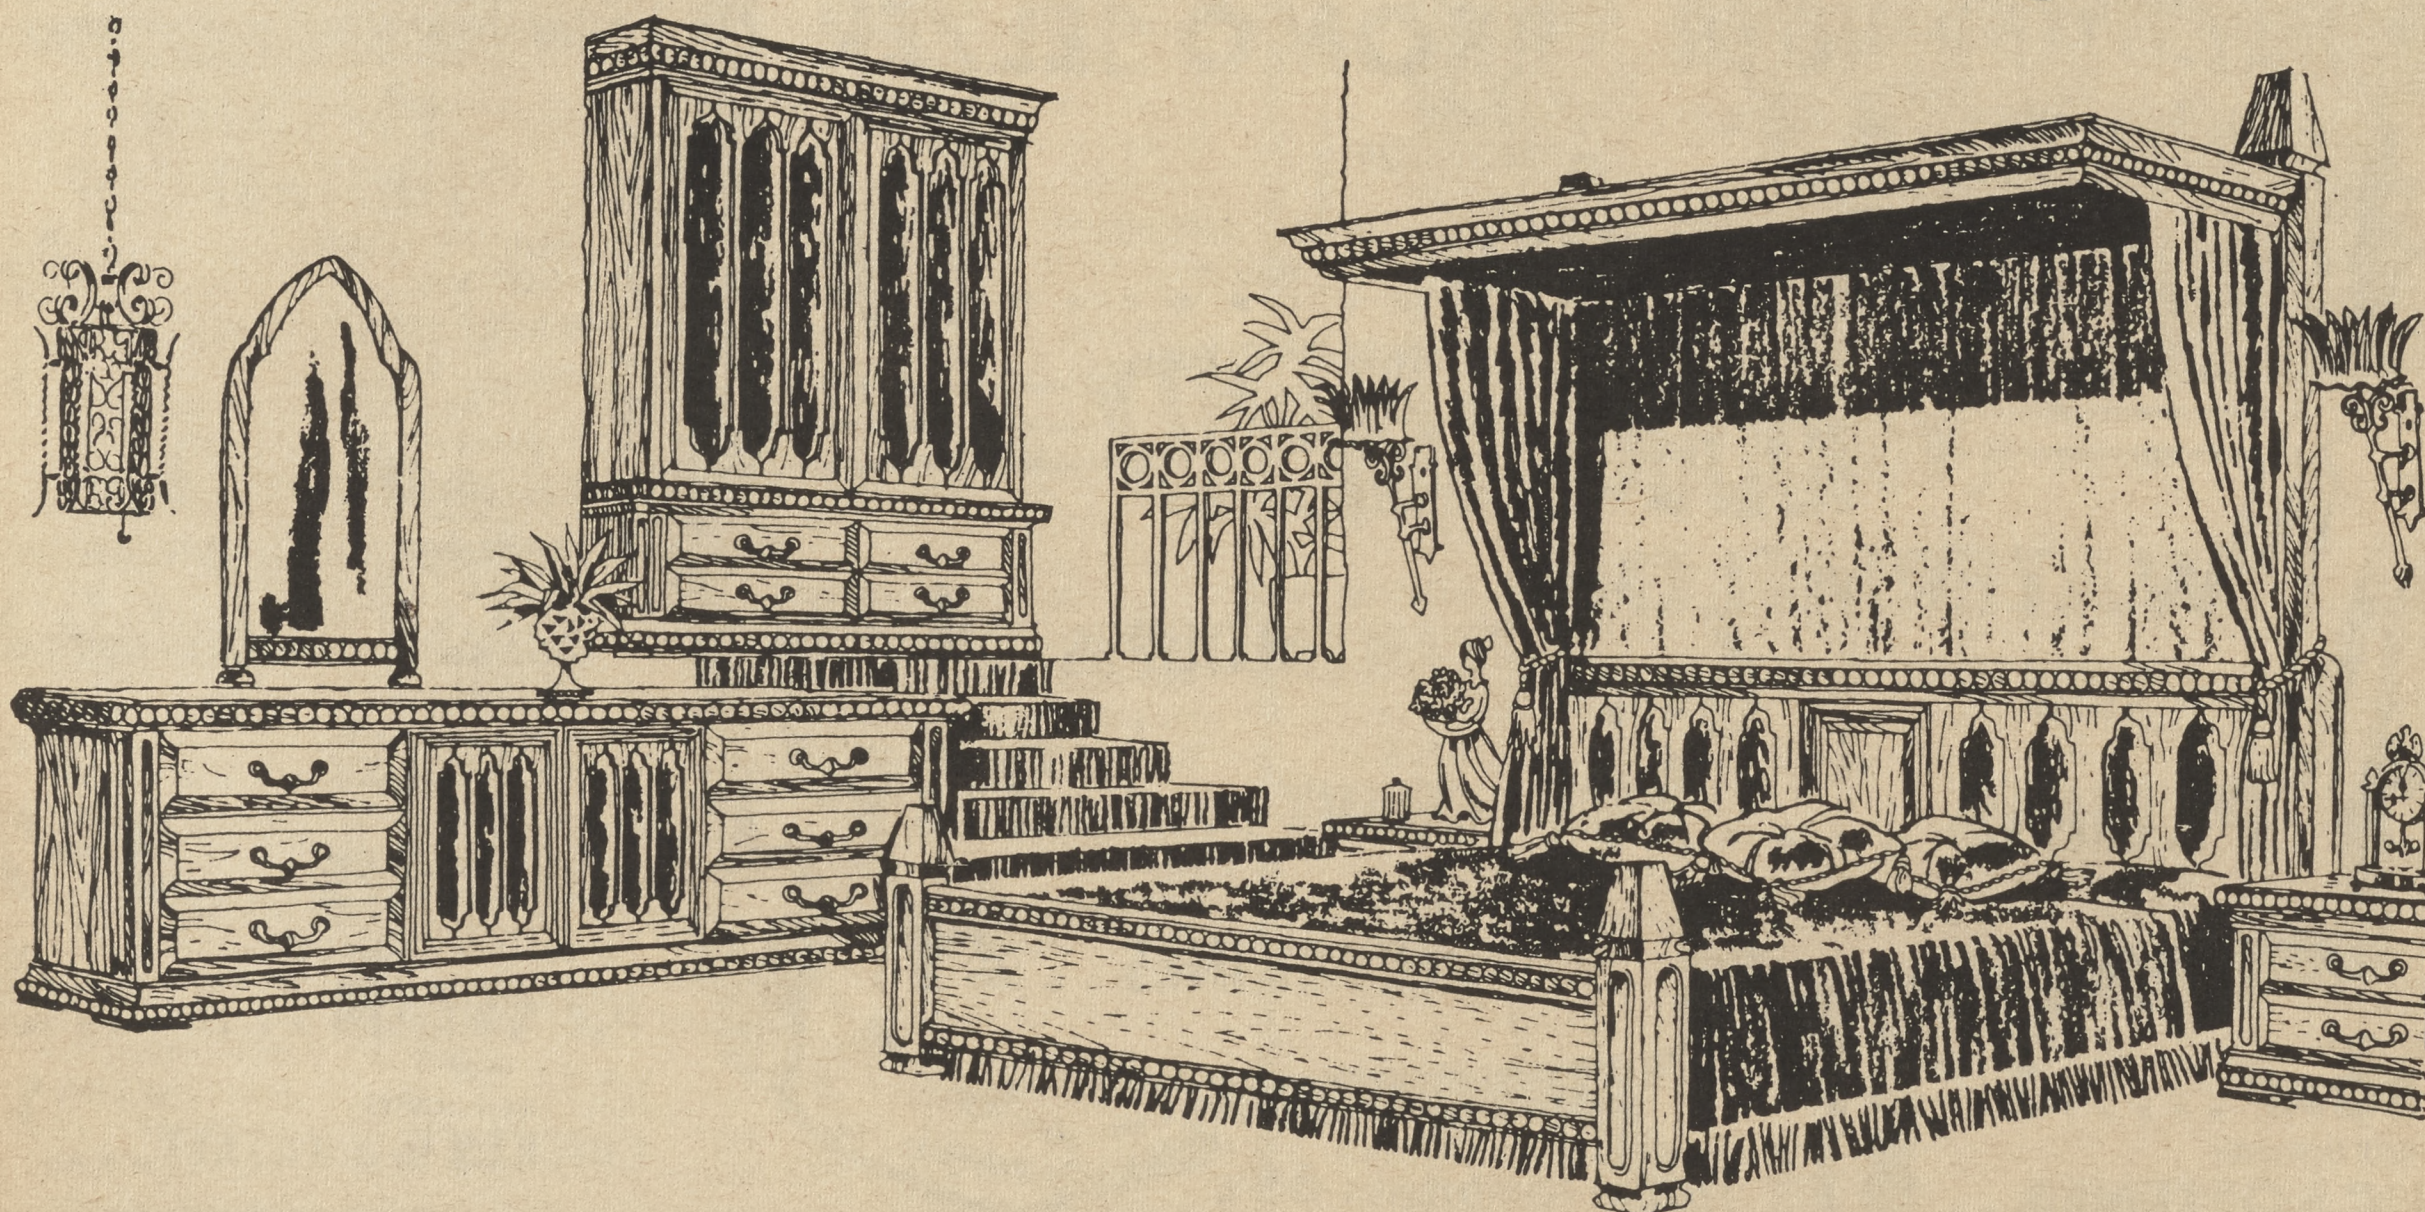

Julie will travel through Memphis, Tennessee and Fayette, Alabama, where her sister was married to Glen Stears last February, to Jacksonville. She is expected to return home sometime in August.

Age divisions for the contest are boys and girls 10 and under, and 11-13, and an open division for 14-16 year olds.

Two entrants in each division are allowed from each playground. Engraved plaques will be awarded each winner.

The camp meets daily 8:30 to 4:00 p.m., under the direction of Shirley Cummins and Dave Jensen.

Included in the program is transportation, movies, hikes, field trips, arts and crafts, and recreational swimming.

Aquatics Club Places In Swim Conference

Southern California Aquatics Club, Placentia division, racked up 136 points to take fourth place in the 1971 Orange County Swim Conference Relays held Sunday, June 20, at Los Coyotes Country Club.

Leading the gold medal parade for the Placentia Piranhas were the 5-6, 7-8 and 9-10 age group relay teams with three new Orange County Swim Conference Records.

The 5-6 100 yd. Medley Relay of Sharon Jennings, Dave Brandt, Sandra Oberle, and Jeff Fairbanks set a new Conference record with their winning time of 1:29.2. The same quartet came back six events later

to take a first place in the 5-6 100 yd. Back Relay with a 1:38.6.

The 5-6 100 yd. Free Relay of Charlie Goffin, Jeff Fairbanks, Sandra Oberle, and Sharon Jennings completed the Placentia domination of the 5-6 age group events with a 1:20.4 first place performance, just two seconds off the record for that event.

The 7-8 100 yd. Medley Relay of Brigitte McBride, Jill Ward, John Peterson, and Alan Gresham splashed to a first place medal with a record breaking 1:09.3.

Perhaps the most outstanding performance of the meet was the 7-8 100 yd. Breast Relay composed of Alan Gresham, Brigitte McBride, Doug Ward, and Jill Ward breaking the Orange County Record, held previously by a 1970 Placentia relay team, with a terrific 1:17.5, beating the old record by 7.6 seconds.

The 9-10 200 yd. Breast Relay of John Davis, Mark Rangel, Christine Druff and Lori Tidrick captured a first place in 2:51.7.

ED Frosh Basketball At Brea

El Dorado's fresh-soph summer league basketball team opened play in the Brea Summer League along with seven other teams last June 21.

The Hawks started with a close loss to Troy, 44-42, with Jim DeWeese scoring 13 points. Wednesday a strong, experienced Sunny Hills team ripped El Dorado, 58-25.

The Lancers had the Hawks 33-11 at half time and didn't let up gaining revenge from last season. Again DeWeese led the Hawks with six points. Coach Paul Bottorff claimed reserve guard Kevin Heenan played a fine game and will be seeing more action in the future.

Starting for Bottorff are sophomore Tom Hollister, center; sophs, John Moore, and DeWeese at the guards; Rick Kneipp, and freshman Bob Farra at the forwards. The Hawks play on Tuesdays and Thursdays in the Brea High School gym.

Alarid Is All-Star Manager

The Placentia Little League has selected Lee Alarid, manager of the Astros in the major league, as the manager of the Placentia All-Star team.

The All-Star team will represent Placentia Little League in upcoming Little League International tournament play.

El Dorado High Teams Begin Summer Play

Summer league basketball started for El Dorado last week with Coach Nash Rivera fielding two teams in the Valencia Summer League.

As Valencia, the Hawks will have a #1 and #2 team to give more boys a chance to play.

Starting on the number one team are juniors Mike Moore, Jeff Van Winkle, Bruce Osterstrom, Chris Jones, and senior Mark Dryer. The Hawks won their first game against Brea with returning letterman Moore leading the way. However the victory cost El Dorado starting guard, John Jesment, who broke his wrist and will probably be out the whole summer.

Wednesday, Moore had 18 points in a losing cause to a stronger Sunny Hills team.

The Lancers built up a big second half lead, but Moore's ten points in the final quarter brought the score to 51-45. Osterstrom and Jones each had seven points.

El Dorado's number two team squeaked past Valencia #2 on Monday, 51-50. Letterman, Mike Farra scored 26 points to carry the scoring. Other letterman Gary Burnett had nine as Tony Madau put in ten.

Valencia #1 ripped the Hawks on Wednesday, 60-38. El Dorado led at half time 29-23 with Farra hitting 22 points in the first half. However Valencia's second half press only allowed the Hawks nine points in the half. Craig Caldwell and Tom Ricks led Valencia totaling 29 points.

Expos And Pirates Tie In Placentia Action

In the tight Major League, regular season play ended on Saturday, leaving the Astros and Expos tied for first place with identical records of 14 wins and 7 losses. The league Championship will be resolved on Wednesday June 30, when these two teams meet at 6:30 p.m. at Tuffree Field.

The Minor A League has concluded its season and

named three championship teams. In the first round, the Indians were the winners. In divisional play, the National Division was won by the Twins, while the Cards took first place in the American Division.

The Minor B League, also completing its season, posted three title winners. In first round play, the Jets were the leaders. The second round, split into divisions, showed the Rams winning in the Eastern Division, and the Chiefs winning in the Western Division.

Weekly spotlight is on the Chiefs, in the B Western Division, who went undefeated in the second round, compiling a record of ten wins without a loss.

DeWeese Plays In Last Game

El Dorado's 1971 most valuable basketball player, Bob DeWeese played his last prep game Friday, June 19, in the annual North-South All-Star game.

DeWeese represented El Dorado on the North team which lost, 117-111. DeWeese had a fine game as he went five for six from the floor and scored 12 points while only playing six minutes.

Mets and Pirates Lead In Yorba Linda League

Placentia Luncheon Has Summer Vacation Theme

Mrs. Ada Hafer, 116 Primrose, Placentia guested friends for bridge and luncheon on Friday, June 18. Coffee was served as a morning "Wake up and get with it," due to the fact that it was the first day for attending mothers to have their children home for summer vacation.

Wine cocktails were served before luncheon which was set at beautiful dining room arrangement. The dining table featured an attractive deep aqua linen cloth with the china carrying through the color scheme. A basket of fresh flowers in shades of aqua

and pink centered the table which had been enhanced with crystal and silver.

Guests were asked their plans for the summer which includes trips and houseguests, and Pat Guffin outshone everyone with an official announcement for an August event which should really be a "bawl."

Bridge was enjoyed by the following guests: Lorene McAteer, who won high; Pat Guffin who won second; and Fran Clark who placed beautifully with low. Others enjoying the day were Jan Gray, Becky Curtis, Alice Towles, Evelyn Koeller, and Ada Hafer, hostess.

Mrs. Ritchie Holds Evening Bridge Party

Mrs. Gwen Ritchie, 127 Santa Rosa Way, Placentia entertained The Group with a dessert bridge, Thursday evening June 24.

Coffee and cool beverages were served during the play and exciting conversation almost took precedence to the play of cards. Mrs. Dorothy Fiddler had daughter Carolyn's wedding album to display. Dottie Etheridge had an exciting trip to Mexico to tell about, and all others had a student graduating from one grade or another. Ellie Brown not only had an eighth grader who had graduated, but told about husband Bill taking

the "Baby" Bar exam which appeared to be a very interesting experience.

Only two of the three tables of bridge were able to play due to some members being ill and others having houseguests. Attending were Alice Towles, with high score; Ellie Brown, second; Beverly Johnson with low; Angela de Jesus (a pro at defensive bridge); Dottie Etheridge, Carole Gavel, Dorothy Fiddler, and Gwen Ritchie, hostess. Members unable to attend were Joe Groth, Claire Herr, Barbara Snyder and Helen Patton.

Baptists Will Present Program

The program "Jesus Speaks to our World" will be presented July 1, at 7:30 p.m. by the boys and girls, who have been attending the two weeks' Vacation Bible School at Faith Baptist Church of Yorba Linda. They will be singing, reciting and displaying their handicraft and work.

Mrs. Joy Cox, opening exercise director, will be directing the children and

will give parents, friends and the public a glimpse of what has been delighting the children at Bible School.

During the past two weeks, the children have been hearing a missionary story about Borneo, having Bible study, magic and puppet shows, handicraft, music, a parade, games and refreshments.

The Airplane Race to Borneo is nearly over and

the excitement is mounting. Miles to Borneo have been gained by bringing Bibles, attendance, memory verses and bringing guests.
